**Pastoral Council:** A Pastoral Area Pastoral Council made up of the clergy and lay representatives from each parish, meets two to three times a year. The purpose of these meetings is to encourage cooperation, the sharing of resources and to plan together for the future. We are greatly encouraged in this work by Bishop Peter, who attends one of these meetings each year.

## **Pastoral News Update**

### ***Good News for our Pastoral Area***

As many of you will be aware, our Pastoral Area, comprising St. Mary's Woburn Sands, St. Thomas Aquinas and All Saints Bletchley, St. Alban's Winslow, St. Bernardine's Buckingham and St. Martin's Brackley, was asked to submit a plan to Bishop Peter proposing how our area could function with only 3 priests available. An outline of our proposal was published in the summer edition of St Bernardine's and St Martin's parish magazine: "BEMA."

A copy of the magazine can be viewed by following the link:

The good news is that for the next 12 months, at least, there will be 5 priests based in our Pastoral Area. Fr. Christopher in Brackley will be assisted by Fr. Prince, on secondment from his missionary order in India and, St. Alban's Winslow will have Fr. Antoine from Oxford in full time residence. So, for the immediate future, no reduction in the number of weekend Masses or other parochial activities is required.

Deo Gratias.
